

PICNIC *with* a PURPOSE

SUNDAY, JULY 30 • 4-7 PM

1609 Lyn Park Ave • North Mpls, 55411

North and Henry athleader presentations 5:30-6 pm

Building on the positivity emanating from North High, we are hosting a gathering to spread the optimism. A growing group of current residents, those who grew up in North Mpls but have been long gone (many Jewish), and others from elsewhere, want to connect and build bridges to new and necessary positive possibilities.

Join our very social social change

with www.newvisioninitiatives.org! A new and growing collaborative bringing together different cultures, faiths, and demographics for optimism in action. A spread of food and spreading smiles.
